

Annette's Story of

I was an alcoholic for 26 years and an addict for 12 years. I lived for 3 years in a condemned home with no utilities and slept on a mattress that I had found in a trash pile. I ate out of dumpsters and trashcans and would do many things just to get the drugs that I needed to keep going. I eventually went to prison for 6 years and reached out to God. It was then that God brought me out of my addictions and my eyes have been on Him ever since. Today, I can praise God and say that I have been clean and sober for 9 glorious years! During this time I have been helping people who are in similar struggles that I was in. I know that God's plan for me is to help others to love God, worship Him, and discover His amazing plans for their lives.

"I lift up my eyes to the mountain—where does my help come from? My help comes from the Lord, the Maker of heaven and earth" (Psalm 121:1-2)
