

Thank you for your donation to Bridge of Hope Community Church.

Bridge of Hope Community Church works very hard to be open and clear about the way donations are used. We recognize that all of this money belongs to God and is only entrusted to us. We strive to spend His money in ways that glorify Him. In general, when donations are received in a worship service, online, at events, or during fundraisers, Bridge of Hope Community Church uses those funds for the general operation of the church and all of its ministries. Monthly income and expense statements are maintained by the Bridge of Hope staff, which is overseen by Pastor Luther Eatman. The yearly budget is prepared and overseen by the Advisory Team and the monthly income and expenses are reviewed in advisory meetings on at least a quarterly basis. The budget and monthly income and expense statements are available for review on the Bridge of Hope Community Church website at www.bridgeofhopekc.org or in the church office.

If you would like to donate to one of the specific ministries or projects of Bridge of Hope, please clearly designate your gift. If you are making a donation by check, please indicate the designation in the memo line of the check. If your donation is being made online, please indicate the designation where allowed to do so. Sometimes, because of unforeseen circumstances, Bridge of Hope has found it necessary to redirect designated funds. Before we redirect funds we will always contact you, the donor, to get written permission of this re-direction.

Bridge of Hope Community Church is tax exempt, and we regularly provide receipts upon request. If you need a tax exempt receipt for your donation please let us know!
