A Word from Pastor

Greetings to all of our Partners in Christ,

As I look over the monthly list of ministry partners that financially support us I am overwhelmed with gratitude and gratefulness to God for His faithfulness to this church and to those who submit to His authority. Thank you for your continual support, not just financially

but also, and more importantly, for your prayers for me, my wife Lanita, and for the church.

I want to encourage all of you to be in prayer for our fundraiser, which will be on October 7th, 2017. As always, our annual fundraiser is a vital part of our yearly budget. It also helps us to close in the black at the end of the year and begin the new year financially strong. I want to encourage all of our partners, if they can, to come and be a part of this important event.

Hopefully, there will be new, potential donors coming and your presence and positive input about Bridge of Hope will surely help them to come on board with us, hopefully long term, so that we can be even more effective in reaching the lost in our community.

We will be celebrating about this past year on how God has blessed us to see people come to Christ and I will be sharing the mission and vision God has given us to go to the next level of ministry in the coming year.

I'm praying also that some of you will be able to worship with us on that Sunday, October 8th. Lawrence Scott, who pastors Harvest Point Fellowship Church in Pearland, TX, will be our guest speaker for that Sunday. For him to still come after Harvey is a blessing and I am pretty sure he will give us an update on the situation there.

Once again, I encourage all of you to come. However, if you can't, please give generously and tell someone about us! Thank you so much for your love and compassion for us and those we serve!

All for His Kingdom,

Pastor Luther C. Eatman Jr.

Minden YG & End of Summer Celebration

**COMPASSIONATELY
TRANSFORMING LIVES
THROUGH JESUS CHRIST**

The first week of August we hosted our last youth group for the summer. This energetic bunch hailed from Minden, NE and served our community well.

The main focus on the trip was helping us put together an end of the summer celebration for our day camp families and those in the community. They brought the school supplies, and came equipped with face paint and bracelet-making

materials. The first day they spent canvassing in the community, sharing flyers for the event as well as visiting our local homeless drop-in center. Their efforts paid off as the majority of the people that came were new faces! There was a great turnout, we even ran out of school

supplies for the families.

The group also spent time organizing kids' clothes that had been donated and set them out for parents to look through while at the celebration.

Thanks to the help of the Minden youth group, the event was a success! Polly the Clown visited again and entertained the families while giving a Gospel presentation, there were activities and food galore and the ever-popular water slide made an appearance as well.

Thank you, Minden for loving on our community and using your last few days before school starts to pour into the lives of those in KCK!
