## A Word from Pastor

Greetings in the name of our Lord and Savior Jesus Christ,

I pray that you grow in the peace and grace of God so that you may glorify Him in all that you say and do!

We seek the prayers of the righteous because they are effective (James 5:16b). We, Bridge of Hope Church, are in need of healing and revival. Because of the financial needs of the church and the partnerships that are needed to help us to operate and minister to the marginalized, I have overlooked the health of our church. They are desperately in need of restoration.

So, I, Pastor Luther, ask for your prayers as I turn my focus inwardly to the needs of the church. We have to establish a DNA within our structure that will continually maintenance the health and growth of the church. My focus will be on the development of my elders and leaders in the church, so they may help me to create a balanced care within our body. I have to reorganize my schedule to accommodate the needs of the church, health-wise.

We were in a state of growth and health at one point, so when that was the case I turned my focus on developing new relationships and seeking funding to help us to maintain our staff and ministries. I now see the need for an established structure and system to be in place for the continual growth and care of the church.

Please pray for us as we begin this process of healing, revival and restoration! As always, thank you so much for your prayers and support of our church and helping us reach the lost in our area.

All for His Kingdom,

Pastor Luther C. Eatman Jr.

We've completed the first two weeks of day camp! Groups from Hastings, NE and from South Dakota (w/ Apex) have come to lead the weeks and have done so with excellence. Through their hard work, preparation and love, the kids learned multiple stories from the Bible and memorized God's Word, created works of art, played games, sang songs, and more.

We've averaged 45 kids each day, with a waiting list of more children. Many are returning youth, but there are several new faces as well. It is a privilege to be able to pour into the lives of the kids year after year. We hope to also use the opportunity to build relationships with the parents as well. Already, several have expressed an interest in worshipping with us on a Sunday. Please join us in praying for more lasting connections, especially as we now have Pastor Terry and Bev to teach and engage with the kids on Sunday mornings.

We have three more weeks of day camp starting on July 10th. Please keep the groups coming in to lead, the Bridge of Hope volunteers, and the kids attending in your prayers! We are praying for the Spirit to soften hearts and for endurance and Spirit-empowered love and compassion for the kids and fellow workers.

Thank you for your prayers and support of this ministry and our other ministries at BoH!
